

THNKS

Build strong business relationships through efficient, personalized and thoughtful gestures of appreciation.

Hard to break through the email phone clutter?

The average person deletes **48%** of the emails they receive every day.

Client gifting taking too much time away from selling time?

64% of the average sales person's time is spent on non-selling activities.

Expense reports out of control?

Poor visibility to expense data and a lack of control of T&E spending are two of CFO's top concerns.

Drive More Business with Thnks

Sending gratitude is proven to:

- Shorten your sales cycles
- Increase customer satisfaction and retention
- Move more prospects through your sales funnel
- Improve employee motivation and success

It's easy to send gratitude with Thnks. All you need is a mobile number, email address or Twitter handle. **Check out some helpful use cases below:**

Coffee for the Week

Send a week's worth of coffee to a prospect who was too busy to meet with you.

A Ride Share

Surprise a key customer on a rainy day, by sending them an Uber ride.

Movie Tickets

Give your client movie tickets for the family, so they can spend a night out with loved ones.

Hundreds of companies are leveraging Thnks for their sales and customer success teams.

Here are some of the unique business features we offer:

Brand Customization

Brand your digital gifts with your company name and logo.

Compliance Adherence

Invite users to join your team on Thnks. From there you can assign rules, budgets, and gifting access for your team.

Analytics Dashboard

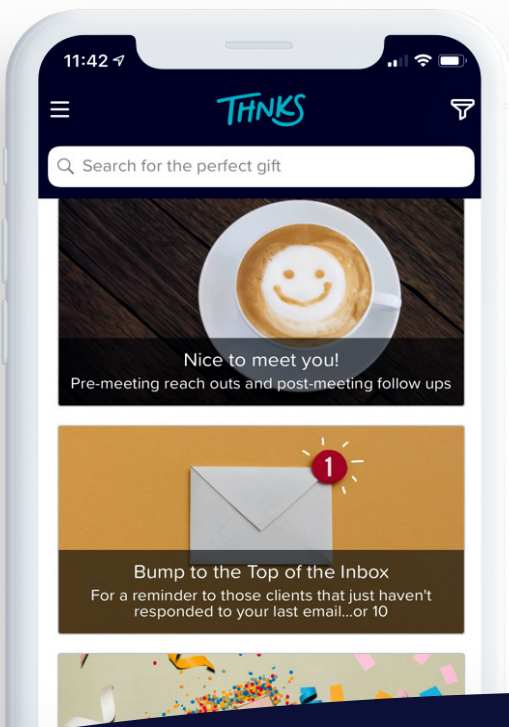

Receive analytics dashboards to track your team's gifting activity in real time.

Additional Features

Customize gifts and categories, work with a dedicated account manager, integrate with your CRM/expense systems and more.

How it Works

- 1 Select from thousands of gifts.
- 2 Choose your contacts - you can input multiple contacts to send the same gift to, and all you need is their email or phone number.
- 3 Write your personalized message.
- 4 Preview your gift and send!
